

REMARKS

Claims 8-11 are presently pending in this application. Applicant wishes to thank the Examiner for the indication that Claims 8-11 are allowed. As requested, Applicant submits herewith replacement Figures 1-7, which better illustrate the structural detail as described in the Specification. Please also note that the replacement figures also provide an English-language translation of the German text found in the original drawings. None of the amendments herein are made for reasons related to patentability. No new matter has been added.

Accordingly, the Examiner is respectfully requested to pass this application to issue. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no.
